

NOTES

- All prices are in ZAR (South African Rands), per unit (each). E&OE.
- This price list is valid from 1 June 2026 and supersedes all previous price lists. Prices are subject to change without prior notice.
- Indicated launch dates may change due to factors beyond our control. Confirm launches closer to the indicated launch date.
- All engines and products have free door to door delivery (**except for riders, remote controlled slope mowers and accessories such as batteries, exhaust systems, drill bits etc.**) within the borders of South Africa.

APPLICATION USE CLASSIFICATIONS

H

Homeowner: For occasional use or seasonal use for residential homes.

L

Landowner: For regular use and more demanding use applications for small plots and large homes.

P

Professional: For daily use and demanding use applications for professionals, contractors and commercial farmers.

Important: Units sold into the wrong application will not be covered by warranty (ie: homeowner unit sold to a farmer or contractor).
